

CHANGE OF DOMAIN NAME OWNERSHIP

This form must be completed with all applicable details in the event of a transfer of domain ownership to the new Registrant. A transfer of ownership has the effect of changing the name of the registrant as listed in the Registry database.

Please complete both pages and fax it to 03 8692 6787 or email a scanned copy to Support@DomainNames.com.au

We will verify the documentation, complete the requested ownership update to the domain name records and have the registrar email the new registrant (buyer) and the current registrant (seller) to confirm the transfer of ownership.

All domain licenses are issued subject to .au Domain Administration Ltd's or ICANN mandatory terms and conditions and published policies. For "au domains" a transfer of ownership will result in a new 2yr license for the new registrant.
